

SORRY

This letter is confidential. I have
a strong feeling dealing with
you guys. So I'm sure you want
you to go and switch on me, or
if I get hated alone I am writing
this to you. ~~But~~ Let's say I
you promised me I would not get
presented, you promised me that
that council wouldnt present me. You told
me "just like C." I would walk. So
now you guys left me by myself. I'm
talking to all 4 council because
is not present me. Simon Elson, Matt Elson,
Tommy Anderson and John. Ohh you
got \$1000 just for leaving with early.
You all know I am not facing alone
you all promised me I wouldnt go to
jail. I don't want all the members to
just abandon me. because half of our council
knew about this for weeks. I will release
this letter if things go wrong, you will
all go down with me. So members
Question those 4 council they've been
stealing for a long while, and I'm
sorry I fell into their mess.
